## "CARDINAL"

A HALLIDAY HOME

FOUR ROOMS AND BATHROOM

Size 27' 0" x 22' 0"

Here's a compact, up-to-date house for the small family. You'll notice that although the house is small, there is nothing skimpy about the rooms. The living room is a good size and has plenty of free wall space so that furniture can be easily arranged. The kitchen is larger than usual to allow for dining space. Step-saving features of this room are the handy unit of sink and cupboards and the convenient position of the cellar way and outside door. A small connecting hall makes bedrooms and bathroom easily accessible and yet keeps the sleeping quarters quite separate. An added feature of this plan is the vestibule with clothes closet and attractively designed front door. The Cardinal is here shown in stucco construction but can be built in frame or brick if desired.

## "HEDGEROW"

A HALLIDAY HOME

FOUR ROOMS AND BATHROOM

Size 22' 0" x 32' 0"

Here's a moderately priced home ideally suited to the small family. From year to year this design has proven to be the most popular of our small family homes,—a remarkably tempting buy for the family of moderate means. Our Hedgerow home has a most attractive exterior with its bell-cast roof and sheltered porch and a glance at the plans will show that ample accommodation has been provided for the small family. Notice the good-sized living room with plenty of free wall space for furniture and the kitchen roomy enough to allow for dining space. The bedrooms, each supplied with a closet, are separated by a bathroom and connected with a small hallway. This inexpensive home can be built in stucco construction besides frame as shown above.

## "DORLAND"

A HALLIDAY HOME  
FIVE ROOMS AND BATHROOM  
Size 22' 6" x 29' 6"

A little money goes a long way when you buy this home. As you will see from the price list, our Dorland home comes well within the low cost range and yet what a roomy house you get for your money. Just notice the handy vestibule, complete with clothes closet; the living room with double windows across the front; the cosy dinette, and the well planned kitchen with side entrance and cellar close at hand. A small hallway separates these rooms from the bedrooms and bathroom, making them easily accessible yet giving the necessary privacy. This home is usually built in frame construction as shown but would look equally well with stucco walls if preferred.

## "CAMBRIDGE"

A HALLIDAY HOME

FOUR ROOMS AND BATHROOM

Size 22' 0" x 28' 0"

Here's a small home with plenty of style. Details such as the sloping vestibule roof, the shuttered windows, the ornamental casing around the door, all contribute to the attractive appearance of this low-cost home. Careful attention to detail is also evident in the well-designed interior layout. The problem of dining space has been solved by the nook off the kitchen which makes possible an unusually large living room for a small house. The compact kitchen is up-to-the-minute in design with sink and cupboards built-in along one wall and the back door and cellar stairs close at hand. The bedrooms and bathroom are entered from a hallway which opens off the living room, assuring a degree of privacy unusual in such a modest cost home. This design looks well either in stucco construction or in frame as shown.

## "DERRY"

A HALLIDAY HOME  
FOUR ROOMS AND BATHROOM  
Size 19' 6" x 32' 6"

If it's a home of your own you want and at low cost, go no further. Our Derry home with its unusual lattice effect porch and shuttered windows, will make you a snug home at surprisingly small cost. Just see how much you get for so little: a good-sized living room with coat closet conveniently near the front door; a handy kitchen; two bedrooms and a bathroom. The cellarway is arranged in an addition at the rear. All rooms have been skillfully arranged with a view to maximum convenience and comfort. This fine value house can be built in frame as shown or in stucco if preferred.

## "DURHAM"

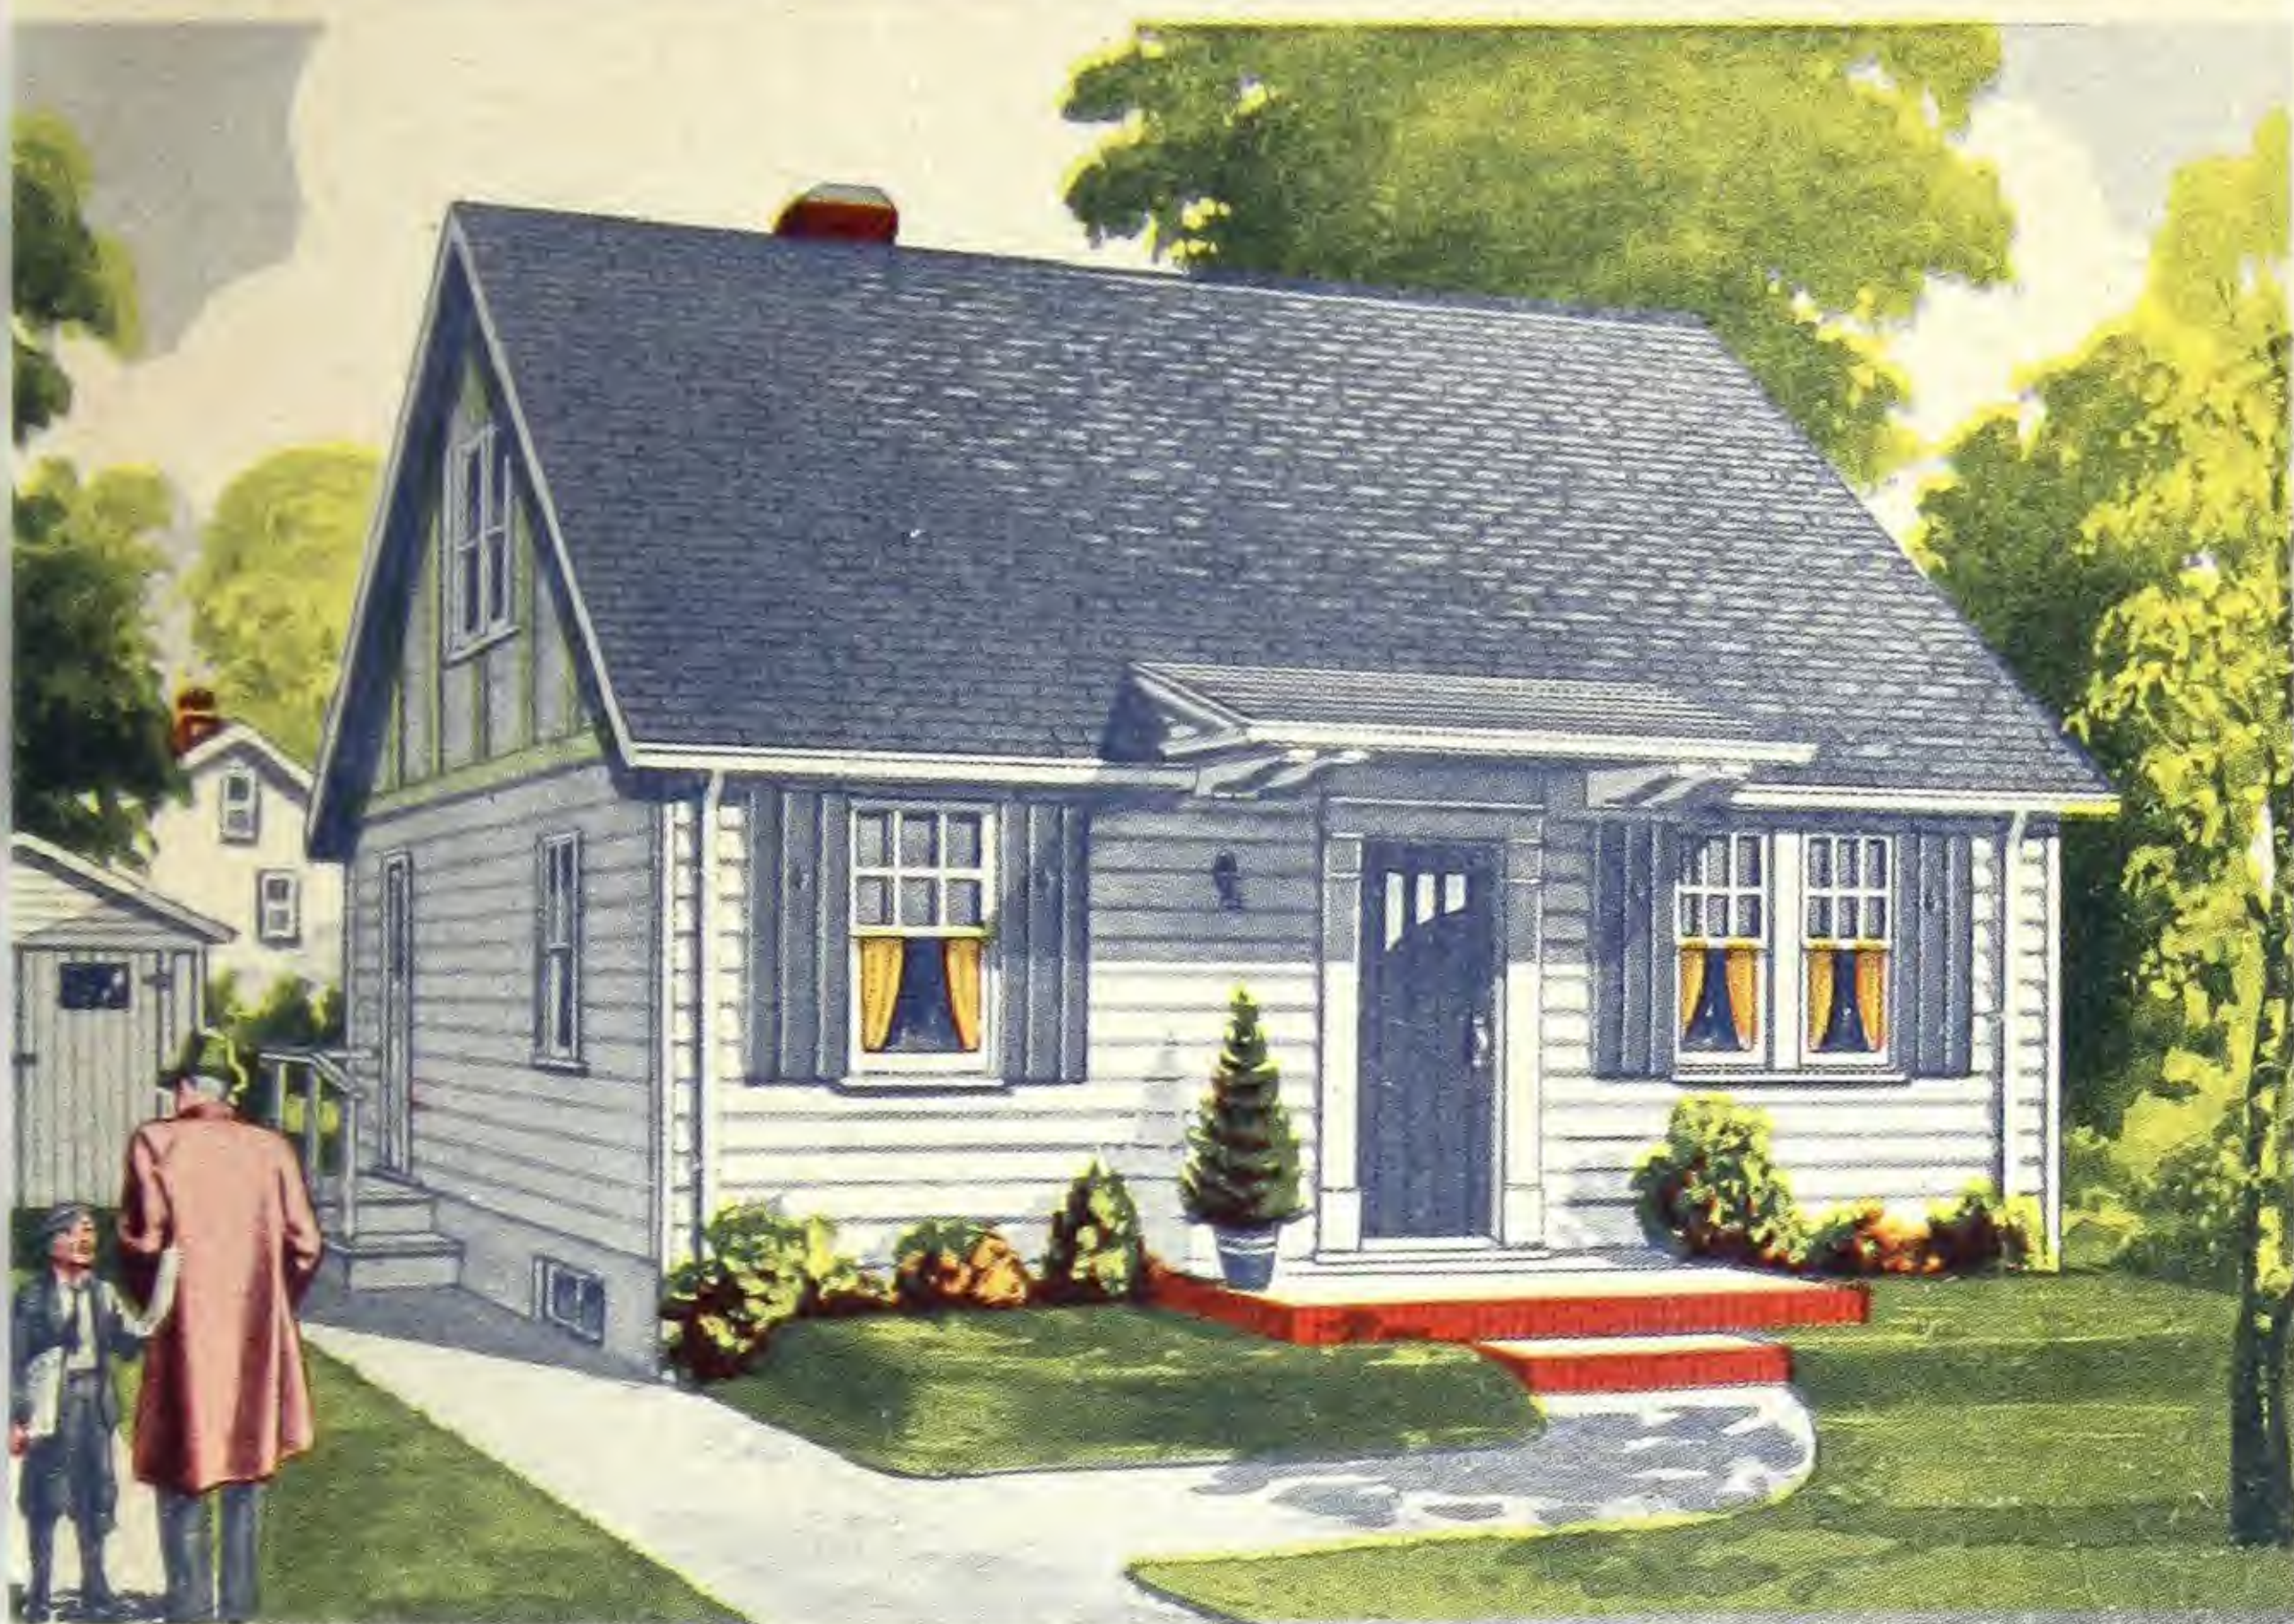

A HALLIDAY HOME  
FIVE ROOMS AND BATHROOM  
Size 22' 6" x 30' 2"

Individuality of design at low cost is the feature of our Durham home. A very moderate sum indeed will make this trim home your own, and what a fine home you will be getting. Through the attractive front door you enter a good-sized living room with a sunny bay window overlooking the street. At one side of this room and separated only by a window arch is a cosy dinette and from this room, through a swing door, you reach the compact kitchen. The bedrooms are placed at the back of the house to ensure the utmost quiet and the small hallway connecting the rooms with the living quarters gives further privacy. This fine cottage looks particularly attractive in wide siding as shown but can be easily adapted to stucco construction if desired.

## "CHARMWOOD"

A HALLIDAY HOME  
SIX ROOMS AND  
BATHROOM  
Size 26' 6" x 22' 6"

From the outside this attractive home has the appearance of a small cottage, homelike and cosy, but actually there are as many

rooms in this plan as in more spacious-looking designs. And there's another surprise in store for you when you find how moderately this popular six-room home is priced. Our Charmwood home looks particularly attractive as shown with white frame walls and brightly painted door and shutters matching the roof. An equally attractive effect is achieved if the walls are finished with stucco.

**"CAMERON" A HALLIDAY HOME**      **FOUR ROOMS AND BATHROOM**  
 Size 24' 0" x 28' 6"      CHOICE OF THREE FLOOR PLANS

Here's what a customer, who recently built our Cameron home, writes, "I have had many people remark on the cottage and state they would like one just like it." And no wonder this snug home proves so popular wherever it is built,— its appearance is cosy and attractive; there is a choice of three floor plans so that you are sure to find one to suit the needs of your family exactly; and best of all, the price is amazingly low. This popular home is shown here finished with wide siding but will look equally attractive with stucco walls if desired.

## "DIGBY"

A HALLIDAY HOME  
FOUR ROOMS AND BATHROOM

Size 27' 0" x 24' 0"

FLOOR PLAN

"We certainly are pleased with our home and know your new customers will be also".

Name on request.

You'll be surprised at the low cost of this trim cottage. Although the price is low, the standard of construction and design is as high as the best. Careful planning is evident both in the neat looking exterior and the roomy interior of this home. The living room is a good size and the kitchen is large enough to allow for dining space. Notice that the back door does not open directly into the kitchen but into a side entry, thus assuring a warmer kitchen in winter. The bedrooms and bathroom are arranged along one side of the house and are reached from the living room by a small hallway. Our Digby home looks particularly well in frame construction as shown but many people prefer it in stucco.

## "CLIFTON"

A HALLIDAY HOME

FOUR ROOMS WITH DINETTE AND BATHROOM

Size 21' 6" x 35' 0"

This snug home has proven to be our most popular low-cost design. And here are some of the reasons: for one thing, this home has a very smart appearance and looks equally well in stucco, frame or brick construction. Then the shape of the house will appeal to the city family, because our Clifton home is narrow enough to fit most city lots and still leave plenty of room for a driveway. And best of all, the cost of this home is surprisingly low as you will see from the accompanying price list. We feel our Clifton home to be ideal for the city family of moderate income.

## "AVONMORE"

A HALLIDAY HOME  
FOUR ROOMS AND BATHROOM  
Size 24' 0" x 28' 0"

FLOOR PLAN

"I am very well pleased with the house as it is a real nice job."

Name on request.

Here's a good buy. Just examine the floor plan of this home and then turn to the price list and you'll be astonished at how little is needed to make this big-value home your own. Only careful planning has made such value possible. Notice the clever way the living room has been designed to leave practically three walls free so that furniture can be placed to advantage. The small vestibule, complete with clothes closet, not only is an added convenience, but serves as good protection in wintry weather. You will find the kitchen compact and well designed to save the housewife's steps. Another excellent feature of this home is the arrangement of the bedrooms and bathroom across the back of the house, completely shut off from the street noises. Our Avonmore home presents a very attractive appearance with its small-paned, shuttered windows and graceful fanlight in the gable, and will look well whether built in frame as shown, or with stucco walls.
